

Film Reveals Global Scourge of Salmon Aquaculture

Posted Tue, Feb 16, 2010 by emily to [alex munoz](#), [aquaculture](#), [chile](#), [farmed salmon](#), [infectious salmon anemia](#), [norway](#), [salmon escapes](#), [seafood](#)

Today marks the global launch of a short documentary exposé from the [Pure Salmon Campaign](#) about the damaging effects of [salmon](#) farms worldwide. "Farmed Salmon Exposed: The Global Reach of the Norwegian Salmon Farming Industry" reveals the environmental, socioeconomic and cultural effects of salmon aquaculture. The film includes appearances by Alex Muñoz and Dr. Matthias Gorny from Oceana in Chile, and Oceana board member Dr. Daniel Pauly.

Watch the [film](#) below and pass it on to your friends and family.
