

**APPENDIX 2****PRELIMINARY LIST OF SEAMOUNT FISHES WITH LOCALITIES****Rainer Froese***Leibniz-Institut für Meereswissenschaften, IfM-GEOMAR, Düsterbrooker Weg 20, 24105 Kiel, Germany***Arlene Sampang***WorldFish Center, College, Los Baños, Laguna, Philippines*

April 2004

This list complements the preliminary annotated checklist of seamount fishes presented in Appendix 1. Families and species are presented in alphabetic order, together with the seamounts from which they have been reported, their status of occurrence (native or stray), and the reference reporting the species from the respective seamount. Appendix 5 links the reference numbers to citations, and the full reference can then be found in Appendix 6.

<b>FAMILIES / SPECIES</b>	<b>SEAMOUNT</b>	<b>STATUS</b>	<b>REF .</b>
<b>Acanthuridae</b>			
<i>Acanthurus olivaceus</i>	Middle Bank	stray	035722
<i>Naso brevirostris</i>	Middle Bank	stray	035722
<i>Naso hexacanthus</i>	Middle Bank	stray	035722
<i>Naso maculatus</i>	Middle Bank	stray	035722
<i>Naso unicornis</i>	Bank 8	stray	050505
<b>Acropomatidae</b>			
<i>Synagrops japonicus</i>	Kaimon Maru Seamount	native	050734
	Sponge Seamount	native	050734
	Stylaster Seamount	native	050734
<i>Synagrops philippinensis</i>	Kaimon Maru Seamount	native	050734
	Sponge Seamount	native	050734
	Stylaster Seamount	native	050734
<b>Alepocephalidae</b>			
<i>Alepocephalus agassizii</i>	Bear Seamount	native	050906
<i>Alepocephalus australis</i>	Bear Seamount	native	050906
<i>Alepocephalus bairdii</i>	Bear Seamount	native	050906
	Plateau Seamount	native	050492
<i>Alepocephalus tenebrosus</i>	Jingu Seamount	native	033779
<i>Bajacalifornia megalops</i>	Bear Seamount	native	050906
	Nintoku Seamount	native	033779
	Great Seamount	native	050546
<i>Bathytroctes oligolepis</i>	Bear Seamount	native	050906
<i>Narcetes stomias</i>	Bear Seamount	native	050906
<i>Photostylus pycnopterus</i>	Bear Seamount	native	050907
	Ichthyologists Seamount	native	050546
	Bear Seamount	native	050906
<i>Rouleina attrita</i>	Great Seamount	native	050546
	Nintoku Seamount	native	033779
	Great Seamount	native	050546
<i>Rouleina maderensis</i>	Great Seamount	native	050546
	Initial Seamount	native	050546
	Plateau Seamount	native	050492
<i>Talismania antillarum</i>	Star Seamount	native	050546
	Jingu Seamount	native	033779

<i>Talismania bussingi</i>	Star Seamount	native	050546
<b>Alopiidae</b>			
<i>Alopias superciliosus</i>	Sponge Seamount	native	050734
<b>Anoplogastridae</b>			
<i>Anoplogaster cornuta</i>	Bear Seamount	native	050906
<b>Anoplopomatidae</b>			
<i>Anoplopoma fimbria</i>	Cobb Seamount	native	049679
<i>Erilepis zonifer</i>	Kimmei and Koko Seamounts	native	050505
<b>Argentinidae</b>			
<i>Argentina sphyraena</i>	Great Meteor Tablemount	native	050492
	Josephine Seamount	native	050492
<i>Glossanodon danieli</i>	Baral Seamount	native	050546
	Cupole Seamount	native	050546
	Ecliptic Seamount	native	050546
	Ichthyologists Seamount	native	050546
	Long Seamount	native	050546
	Professor Mesyatzev	native	050546
<i>Glossanodon leioglossus</i>	Great Meteor Tablemount	native	049677
	Josephine Seamount	native	050492
<i>Glossanodon nazca</i>	Cupole Seamount	native	050546
	Great Seamount	native	050546
	Ichthyandr Seamount	native	050546
	Ichthyologists Seamount	native	050546
	Professor Mesyatzev	native	050546
<b>Ariommatidae</b>			
<i>Ariomma bondi</i>	Bear Seamount	native	050907
<i>Ariomma lurida</i>	Academician Berg	native	033779
	Colahan Seamount	native	033779
	Equator Seamount	native	033779
	Hancock Northwest Seamount	native	033779
	Hancock Southeast Seamount	native	033779
	Karandash Seamount	native	033779
	Kimmei and Koko Seamounts	native	033779
	Milwaukee Group Seamount	native	033779
<i>Ariomma lurida</i>	Turnif Seamount	native	033779
	Zapadnaya Seamount	native	033779
<i>Ariomma melanum</i>	Bear Seamount	native	050907
<b>Aulopidae</b>			
<i>Aulopus filamentosus</i>	Great Meteor Tablemount	native	049677
	Josephine Seamount	native	050492
<i>Aulopus japonicus</i>	Academician Berg	native	033779
	Cross Seamount	native	007460
	Equator Seamount	native	033779
	Jumeau West Seamount	native	050734
<b>Aulostomidae</b>			
<i>Aulostomus chinensis</i>	Brooks Banks	stray	035722
	Middle Bank	stray	035722
	Twin Banks	stray	035722
<b>Balistidae</b>			
<i>Sufflamen fraenatum</i>	Middle Bank	stray	035722
<i>Xanthichthys mento</i>	Middle Bank	stray	035722
	Raita Bank	stray	035722

**Banjosidae**

<i>Banjos banjos</i>	Jumeau West Seamount	native	050734
----------------------	----------------------	--------	--------

**Barbourisiidae**

<i>Barbourisia rufa</i>	Multipeak Seamount	native	033779
	Suiko Seamount	native	033779

**Bathyclupeidae**

<i>Bathyclupea malayana</i>	Stylaster Seamount	native	050734
-----------------------------	--------------------	--------	--------

**Bathylagidae**

<i>Bathylagus euryops</i>	Bear Seamount	native	050906
<i>Lipolagus ochotensis</i>	Emperor Seamount Chain	native	049678
<i>Melanolagus bericoides</i>	Bear Seamount	native	050906

**Bembridae**

<i>Bembradium furici</i>	Jumeau East Seamount	native	050734
	Baral Seamount	native	050546
	Colahan Seamount	native	033779
<i>Bembradium roseum</i>	Jumeau East Seamount	native	050734
	Kammu Seamount	native	050765
	Kimmei and Koko Seamounts	native	033779
	Mayday Seamount	native	050546
	Milwaukee Group Seamount	native	033779
	Sponge Seamount	native	050734
	Stylaster Seamount	native	050734

**Berycidae**

<i>Beryx decadactylus</i>	Atlantis Seamount	native	050492	
	Colahan Seamount	native	033779	
	Cross Seamount	native	007460	
	Hancock Northwest Seamount	native	033779	
	Kaimon Maru Seamount	native	050734	
	Kammu Seamount	native	050765	
	Kimmei and Koko Seamounts	native	033779	
	Milwaukee Group Seamount	native	033779	
	Sponge Seamount	native	050763	
	<i>Beryx splendens</i>	Academician Berg	native	033779
		Amber Seamount	native	050546
		Atlantis Seamount	native	050492
		Colahan Seamount	native	033779
		Dorofeyev Seamount	native	050546
		Ecliptic Seamount	native	044056
		Equator Seamount	native	033779
		Great Seamount	native	050546
		Hancock Northwest Seamount	native	033779
		Hancock Southeast Seamount	native	033779
		Ichthyandr Seamount	native	044056
		Ichthyologists Seamount	native	050546
		Jumeau East Seamount	native	050734
		Kammu Seamount	native	050765
		Karandash Seamount	native	033779
		Kimmei and Koko Seamounts	native	033779
		Lira Seamount	native	033779
		Milwaukee Group Seamount	native	033779
		Plateau Seamount	native	050492

<i>Beryx splendens</i>	Professor Mesyatzev	native	050546
	Sponge Seamount	native	050763
	Star Seamount	native	044056
	Stylaster Seamount	native	050734
	Zapadnaya Seamount	native	033779
<i>Centroberyx affinis</i>	Jumeau West Seamount	native	050734
	Kaimon Maru Seamount	native	050734
	Stylaster Seamount	native	050734
<i>Centroberyx druzhinini</i>	Stylaster Seamount	native	050734
<b>Bothidae</b>			
<i>Arnoglossus imperialis</i>	Josephine Seamount	native	050492
<i>Arnoglossus multirastris</i>	Albert Seamount	native	050546
	Baral Seamount	native	050546
	Cupole Seamount	native	050546
	Dorofeyev Seamount	native	050546
	Great Seamount	native	050546
	Ichthyologists Seamount	native	050546
	Long Seamount	native	050546
<i>Arnoglossus rueppelii</i>	Great Meteor Tablemount	native	049677
	Josephine Seamount	native	050492
<i>Arnoglossus septemventralis</i>	Jumeau West Seamount	native	050734
	Kaimon Maru Seamount	native	050734
<i>Bothus pantherinus</i>	Twin Banks	stray	035722
<i>Chascanopsetta megagnatha</i>	Amber Seamount	native	050546
	Baral Seamount	native	050546
	Pearl Seamount	native	050546
<i>Chascanopsetta prorigera</i>	Colahan Seamount	native	033779
	Hancock Northwest Seamount	native	033779
	Kammu Seamount	native	050765
	Milwaukee Group Seamount	native	033779
<i>Engyprosopon regani</i>	Cupole Seamount	native	050546
<i>Parabothus amaokai</i>	Great Seamount	native	050546
<i>Parabothus coarctatus</i>	Colahan Seamount	native	033779
	Hancock Northwest Seamount	native	033779
